

COMPUCAGE®

A HIGHER LEVEL OF SECURITY

Compucage T1000, T2000 and T3000 are designed to fit neatly on your computer.

All units are easy to assemble. Just put the base down and secure it to your desk or floor; adjust the bridge to the proper width and lock it into place.

The Compucage is designed not to restrict air flow or access for cables. All units come with a set of Compucage keys.

The Compucage is an easy and effective method to lock your computer hardware safe in your home or office.

WHY COMPUCAGE?

- Its high visibility makes it a strong deterrent against theft
- Locks your computer firmly to a table or floor
- Hardened, tamper resistant components and a high-security lock ensure maximum protection
- Strong, simple and rugged design
- Helps protect your information
