

COMPUCAGE®

A HIGHER LEVEL OF SECURITY

COMPUCAGE STL

The Compucage STL is designed to lock your laptop to your desk within a docking station to become an effective deterrent against theft.

The Compucage STL is designed not to restrict air flow or access to ports.

The Compucage STL is the easiest and safest way to keep your laptop safe in your docking station.

Why Compucage?

- Its high visibility makes it a strong deterrent against theft.
- Hardened, tamper resistant components and a high-security lock ensure maximum protection.
- Strong, simple and rugged means it will give you years of protection.
- Vinyl coated to add to appeal and protect your computer from damage.
- Access for all drives and wires
- Can be used for docking stations
